

Calvary Day School's Summer Reading Fun

Rising Grades 1st-6th

What	How	Where
a mystery	in the dark with a flashlight	at the beach or pool
a magazine	out loud with an accent	under the covers
a comic book	in your pajamas	in a fort
song lyrics	in a silly voice	under a tree
a recipe	to a stuffed animal	in a car
an e-book	to a parent	under the stars
a "how to" book	to someone younger than you	by a lake, pond or river
a play	to a pet	in the grass
a menu	wearing a swimsuit	at a park or playground
a biography	wearing sunglasses	at the library
a chapter book	to someone over the phone or Facetime/Skype	standing in line or in a waiting room
a joke book	while lying down	in the bathtub
closed captioning on TV or a movie	while wearing a silly hat	while on a "book-nic" picnic
a library book	with a friend	under the table
your favorite book	in a whisper	on vacation
a book your friend recommends	while eating a snack	on the porch or deck

The challenge: Choose a “what”, a “how” and a “when”. They can be any in any row; you do not have to do the ones that are in the same row. For example, you could read a library book to someone younger than you at the pool. Color in each rectangle as you complete the reading.

The reward: If you complete 8 challenges in each column (for a total of 24 rectangles), then you will be invited to attend the Popsicles with the Principal event in August. Bring this paper to school on August 14th and turn it in to your teacher to redeem your reward.

Happy Reading!
