

Kindergarten – 6th Grade Frequently Asked Questions

How long is the school day?

For students in grades Kindergarten through 6th grade, school starts at 8:15am and ends at 3:00pm.

When does the school year start and end? Does your school calendar follow the WS/FC school calendar?

Usually, we start in mid-August and finish the year in late May. Calvary sets its own annual calendar, which may be similar but does not match the schedule of the local public schools.

Calvary Day School operates an extended care program from 7:15am to 8:15am and from the end of school in the afternoon until 6:00 p.m. Monday through Friday for children in K through 6th grades. Extended care operates ONLY on regular school days and is not provided when school is closed or operating on an early dismissal schedule. Current rates are \$5.00 per day for the morning and \$15.00 per day for the afternoon.

What curriculum do you use?

The biblically integrated curriculum is selected by Calvary teachers for each grade and is based on the appropriate developmental level. The textbooks in each grade are chosen from a variety of Christian and secular publishers. The reading curriculum in K through 2nd is heavily phonics based.

How do your test scores compare with the public school End of Grade Tests?

Private schools in NC are required to give standardized tests which are nationally normed. The NC public school End of Grade Tests are only normed (or made standard) for students in NC, therefore do not meet the private school requirement for a nationally standardized test. We give the Terra Nova 3 Test in grades K through 9th each year. School-wide, our scores average between the 83rd and 91st percentiles on the TN3.

Do you have a regular chapel program?

CDS students have a weekly chapel program. Parents are always welcome to attend chapel services.

What about "Specials"?

All children in grades K through 5th have art, music, PE, and media. Children in 6th have art, music and PE. Children in grades 2nd through 6th also have computer and introductory Latin.

What is your discipline plan?

The Lower School has a unified discipline plan. Under this plan, teachers clearly explain their expectations to students. Positive reinforcements for correct behavior and negative consequences for inappropriate behavior are explained. Two simple guidelines apply school-wide: (1) Follow directions the first time they are given. Hebrews 13:17; (2) Treat fellow students and teachers in the courteous, cooperative manner in which you would like to be treated. Ephesians 4:32
